

MAKES GAMBLING A STATE FELONY

The Washington Law Has Been Introduced in This Session and May Be Passed

Representative Hutchinson, of Multnomah county, last evening introduced the most drastic measure to prohibit gambling in this state ever placed before the Oregon legislature. The bill is an exact copy of the Washington law, which has effectually stopped gambling in that state. The text of the bill, as now ready for third reading in the house, is as follows:

ARE YOU AGEING?

Dr. Holmes used to say he was "seventy years young." Some men are old at half that figure.

Age is not in years. It is in the blood. Scott's Emulsion helps to keep you young by keeping your blood young; by supplying it with an abundance of rich, pure, vital nourishment; carrying constant life and renewal to every fibre of your body. It will help you to rob advancing years of half their sting.

We'll send you a sample free upon request.

We do what We Claim

We kill and remove cancers and tumors without the aid of a knife.

Read the testimony of a prominent Salem man:

TO THE PUBLIC. In justice to Dr. Cook, and that the world may know what great work he is doing, I wish to inform them that I have been taking treatment from him for the past fifteen months and in that time he has removed from my alimentary canal three tumors of cancerous growths, as large as a man's hand, all from the larger intestine. Also another cancerous growth from off my right right foot and another from my right thumb. This has all been accomplished through medicine alone, they killing the growth and the spider like roots and nature itself casting them off, without the aid of knife or surgery. I do not believe I could have found equally successful treatment anywhere in the world and cheerfully recommend Dr. J. F. Cook, the Botanical Doctor, to all who read this testimonial.

R. J. Spencer. We can do as much for you or more if you need it.

J. F. COOK

Deutscher Botanical Doctor. Cures all Diseases. Salem, Liberty St.

Eat and Run.

There isn't a man who would be seen running through the street munching a piece of pie. Why not? Because it would mean dyspepsia and stomach trouble? Not at all; but because it would mean a business man snatches a lunch in such a hurry that he might as well take it on the run. That is one reason for the prevailing "stomach trouble" among men of business.

There is a certain remedy for diseases of the stomach and other organs of digestion and nutrition. It is Doctor Pierce's Golden Medical Discovery. The worst cases of dyspepsia and catarrh of the stomach have been cured by this medicine. It cures where all other means have failed to cure.

"I took two bottles of Dr. Pierce's Golden Medical Discovery for stomach trouble," writes Charles Carter, Esq., of Taylorsville, Loudoun Co., Va. "It did me so much good that I didn't take any more. I can eat now anything I want. I am so well pleased with it I hardly know how to thank you for your kind information. I tried a whole lot of things before I wrote to you. There was a gentleman told me about your medicine, and how it had cured his wife. I thought I would try a bottle of it. I am now glad I did for I don't know what I would have done if it had not been for Dr. Pierce's Golden Medical Discovery."

Doctor Pierce's Pleasant Pellets cure biliousness. They stimulate the sluggish liver, and cleanse the system of impurities. They should always be used with "Golden Medical Discovery" when there is need of a laxative.

Creek two days before the Pueblo murders, and in his Chicago confession admitted that he committed murder in this state.

RICH MEN ARE NOT ALL HAPPY

Croesus, King of Lydia, Had Troubles of His Own, and There Are Others.

Croesus, the John D. Rockefeller of the kingdom of Lydia was very well-to-do in worldly goods and chat-tola. "As rich as Croesus," is a saying about 2,500 years old. He had his troubles, however, and some of them were full grown. He was taken captive once by Cyrus and only saved himself from being burned alive by quoting a saying of Solon, the Sage. He finally had to flee his kingdom for parts unknown.

Many of the rich man's troubles today come from high living and could be avoided. They are brought on by eating all kinds of rich, heavy foods at irregular times, lack of proper exercise, undue mental strain, unnatural stimulants, etc., and are commonly known as indigestion, dyspepsia and weak stomach. They are serious troubles all right, but not only can they be avoided but can also be cured, and that without loss of time or proper food and nourishment.

Stuart's Dyspepsia Tablets are the certain relief of dyspepsia, rich and poor alike. There is no such thing as stopping their onward progress now. A great nation has placed its stamp of approval upon their noble work. The thousands and thousands of cures they have effected and the happiness resulting therefrom have made their name a household word throughout the land.

The story of Stuart's Dyspepsia Tablets can be told in a word. They actually do the work that the weak and wasted stomach is unable to do and allow it to recuperate and regain its strength. They contain all the essential properties that the gastric juice and other digestive fluids do, and they digest the food just as a sound and well stomach would. They relieve the stomach just as one rested and refreshed workman relieves the one on duty that is tired and worn, and Nature does her own work of restoration. It is a simple, natural process that a child can understand. You can eat all you want without fear of results. Stuart's Dyspepsia Tablets are for sale by all druggists at 50 cents a box. Druggists all know better than to try to get along without them, as the demand for them is great and universal.

A Mining Theory.

There has always been considerable prejudice against any mining property in the low hills among the corduroy expert fraternity. They quote some equally erudite yellow leggings who in his delirium tremens said that there is no paying property in Colorado below 7,000 feet. But while they are picking the fire clunch out of their teeth in the lobby of the leading hotels men who know that "gold is where you find it" are carrying supplies to the claims on which they have staked their faith. Perchance they must carry drill, steel and powder on their rocks for they
